The social distantcing.

I like the six people per table but wish that it could go to eight. Not using the space junk and spider have made more games to play .I love that the school is cleaned every day. I Miss going on camp but love having my own desk.

None.

playing areas

that only six people can be at one lunch table so it is not crowded.
only one person at a desk.
we did not go on camp

I like...
knowing things are really clean

That we have to wash our hands to eat our food and sanitizing our hands before class.

Nothing, I feel like everything is kind the of same, there is nothing I besides the school getting cleaned more.

the clean classrooms and the clean play equipment.

Every thing gets cleaned.

I like how the school is very clean and sanitised.

I dont like...

NO camp

some play equipment is unusable

i don't like social distancing

i dont like sitting by myself

Not allowed to share desks with friends.

that some playground equipment is not available to use.

We have to SANITISE OUR HANDS.

no

That we didn't go on camp and we can't climb the spider.

Having to sanitize your hands lots+Only six people are aloud at a table at a time.

Not going on camp is a little disappointing.

less under cover time

Not allowed to touch people or go on some play exiptment. Have to sanatise/wash hands. Have my own desk. Only 5 people on a table for eating recess/lunch. Asssmblys are put off. My piano lessons were missed for quite a while.Camp was canceled

The less balls allowed, having to social distance, big monkey bars off limits.

I didn't like how we couldn't play on the tall bars, we can't sit next to each other, we must social distance so we can't be close to each other, we have to sanitise our hands with disgusting hand sanitiser and we can't play on some of the other equipment.
