Nullagine PS Visit

Our Walpole students hosted the Nullagine students and teachers on Tuesday afternoon. Thank you to the P&C for donating the sausages and rolls for the sausage sizzle it was loved by everyone! The afternoon was spent playing softball, drawing together, feeding the chickens and ducks amongst other activities. Our Walpole students were amazing hosts and the Nullagine students thoroughly enjoyed the visit.

Winter Carnival

Good luck to our soccer and netball teams playing in the Winter Carnival at Pemberton today. They have been practicing at every opportunity and I would like to thank all of our

volunteers who are coaching and unpripping for the day.

Denmark Round Table

Ms Claire Chhor and myself attended an informal round table education discussion with the Minister for Education Sue Ellery and member for Blackwood Warren Jane Kelsbie alongside other schools from Denmark and Mt Barker. The themes of the discussion were similar across the district including housing, service provision for our students and infrastructure.

TTW update

The plaque permission survey was completed in record time, thank you for this. The students have been busy creating art work for the timeline and we are excited to see it at the opening on the 12th of September. If you have some time on the Festival day to help with the Sausage Sizzle please let our P&C know. This is a vital fundraiser for our school and the monies will go towards student resources, incursions and excursions.

Protective Behaviours Parent Session

The Protective Behaviour Session shared some very valuable parent resources including: Cyber Safety at www.esafety.gov.au and the Australian Childhood Foundation at www.childhood.org.au. There are many other resources including Maggie Dent and the WA Education Department.

Change of Assembly Date

Our last Term 3 Assembly has been moved to the last day of Term 3, the 24th of September.

Thank you for your ongoing support of Walpole PS.
