

STUDENT PERSONAL ITEMS FOR 2020

Dear Parents

Please find attached your child's personal items list for next year.

As in previous years we have asked the local Post Office to stock all the stationery items. It is optional for parents to order these items through the Post Office. The items can be purchased elsewhere. If doing so, please be aware that brands are recommended because they do the job. Cheaper brands may not last or can be ineffective.

Orders to be returned to the school office by WEDNESDAY 18th DECEMBER or placed directly with the Post Office. Payment is not required when placing orders but upon collection from the Walpole Post Office mid-January 2020.

This process has been put in place for the convenience of parents and to also ensure that students obtain all items. Please do not hesitate to contact the front office with any queries.

Regards

Chris Cook
